

# AIA/CES Registered Course: Architectural Sign Programs

We are now scheduling presentations of our AIA/CES registered course **Architectural Sign Programs.**

The course examines the unique requirements and difficulties of specifying and documenting architectural signage, and offers strategies for designing and implementing successful sign programs for all types of projects.

Please let us know if this course would be of interest to you and your firm so we can schedule a presentation.

## Course Information

**Title** Architectural Sign Programs

**Number** IDNTA-01-A

**Length** One hour

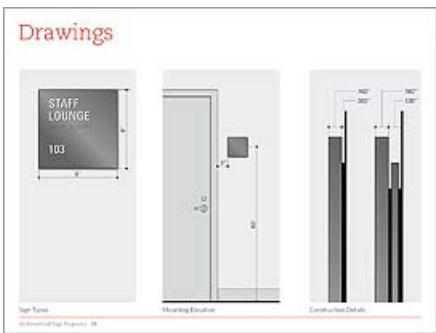

**Credit** 1.0 HSW (Health, Safety, and Welfare category) Learning Unit
